Dear Allen:

Thank you so much for your explanatory letter and we would indeed like to have the Assistant Attorney General William F. Tompkins speak to us on Communist infiltration and the measures being taken to combat it - if you think that he is a dynamic and forceful speaker and the best one to address us on this subject.

If you agree that this is so - I would greatly appreciate your approaching him and asking him if he would do us the honor of accepting our invitation to speak. As soon as I hear from you again, I will write him directly.

Knowing how busy you are, I did not presume to suggest that you, yourself, speak to us at some time - but I can only assure you that you have a standing invitation.

I hear news of you and Clover every so often - from Nat or mutual friends who have seen you. With warm regards to you both, and again my appreciation.

Sincerely,

David W. Peck
